# AKWAABA

**Interested?**
You are interested to leave Ghana for a shorter or longer period of time and and join the staff in hospitals, clinics or elderly care in The Netherlands. In the Netherlands is a great demand on many different levels, for which the honour is great and the reward is very, very attractive.

**Who you are talking to**

Dutch Technology Centre (DTC) is an engineering and consultancy company that is active in Ghana since the beginning of the '80s. We have conducted successful or less-successful projects for WorldBank, United Nations, USAid and Ministries of Health, Education and Trade & Industry**.**

**Your interest is protected**

To arrive at an utmost efficient scenario whereby you are very well protected in your position as expatriate, we have established independent entity: **Tectumque.com** with offices in Accra, in Amsterdam, and in Germany.

**Credit Facility**

To qualify for a vacancy in The Netherlands you have to do an investment in yourself. Costs must be incurred to: learn the Dutch language, you need a work-permit and passport/visa and create your own living (pay rent) until your first pay check arrives after 6 to 8 weeks. ZENITH bank (London & Accra) in cooperation with International Insurance Brokers AON, banks are interested to facilitate you.

**Your way forward**

Please send us completed CONTACT FORM and we will provide you with your own Unique Registration Number for further action.
